Confirmation from Customer on Road Changes

As per the Road Layout Confirmation Signed by the Customer, there have been no road layout changes that impact this link as originally measured

I confirm that the SafeZone Average Speed Installation described above has been re-validated against the original installation (as defined by the procedure for link revalidation specified in 667/RE/55083/000) in accordance with the Home Office Type Approval for the SafeZone Average Speed System.

All parts and components used in the installation, including any replaced, are identical to those used in the device as Type Approved.
